Description

The NEW MASTER is a distinguished 44.45 meter Baglietto superyacht, epitomizing Italian craftsmanship, modern elegance, and exceptional performance. Launched in 2001 and extensively updated over the past six years, this tri-deck displacement vessel features a robust steel hull and a lightweight aluminium superstructure, ensuring durability and agility at sea.

Her exterior, crafted by Vincenzo Ruggiero, showcases sleek, timeless lines complemented by spacious outdoor areas across three decks—including a sky lounge, Jacuzzi, sunbathing zones, and ample seating—ideal for relaxing and entertaining. The interior, designed by Elisabetta Ruggiero, offers a luxurious retreat with elegant, comfortable cabins and modern amenities.

Accommodating twelve guests in six beautifully appointed cabins, the yacht's layout includes a full-beam main deck master suite with an office, walk-in dressing room, and his-and-hers bathrooms, as well as three double ensuite cabins, a twin guest cabin on the lower deck, and four crew cabins for seamless service. The main deck serves as the social hub with a generous dining area, salon with retractable LCD TV, and large sliding glass doors that connect indoor and outdoor spaces effortlessly.

On the upper deck, guests find a cozy lounge, the wheelhouse, and additional cabins, along with a panoramic sky lounge, jacuzzi, and outdoor seating for gatherings. Powered by twin Deutz TBD 620 V16 diesel engines delivering 2,450 HP each, the yacht reaches speeds up to 17 knots and cruises comfortably at 16 knots. Its impressive fuel capacity
