### Overview

The Picnic 18 was born with the desire to offer the most compelling sailing experience with maximum usability. The elegant 18ft open day cruiser is an affordable, low-key luxury boat that truly offers a new way of experiencing social interaction with friends and family while sailing due to the unique interior design combined with high usability.

### Hull

The lightweight hull makes it easy to transport by trailer, and its large storage rooms can hold indeed anything from canvas cushions, life vests, bathing towels, and of course your fully equipped picnic basket. For this reason, this low maintenance motorboat is incredibly easy to maneuver and it requires no sailing license or experience to use and sail the Picnic 18.

### Console

Positioned adjacent by the center table, the delicate aluminum steering console can be reached from both sitting and standing position, and
