## Description

A stylish river cruiser with sea going capabilities and versatile, contemporary living. The Broom 35 Coupe is an aft cockpit river and estuary cruiser built to Broom's exacting standards, marking a glorious and successful return to inland waterways. Fitted with Volvo D4 260hp diesel engine with only 300hrs. Two owners from new. Lying Chertsey. Representing a new vision of space and on board living, the 35 Coupe allows you to enjoy life on the water in comfort, with space to entertain in style. The light, airy interior offers a versatile living space with movable contemporary furnishings and design which defy the boat's 35' length. It features vast storage throughout, and an aft cockpit offering an inside driving position protected from the elements. Access to the sleek, elegant exterior comes via large, glass bi-fold doors leading out on to the deck, offering an uninterrupted panoramic view of the picturesque scenery. The semi-displacement hull is designed to handle well on river or sea, suiting all boating requirements. Hull Design and Construction Comfortable Cruising- The 35 Coupe features a multi-purpose semi-displacement hull designed to handle well at sea or inland, with twin or single engine configurations ranging from 60-360hp.- The versatile, contemporary interior comes in a choice of 3 layouts to suit your exact requirements and all models feature bi-fold doors to offer a constant connection to the great outdoors. Commanding Position- The ergonomic console has been carefully laid out for safe and relaxing cruising, with excellent all-round visibility and sight of engine instruments and navigational aids.- Passengers and crew also benefit from clear forward vision and comfortable seating when underway.- When close quarter manoeuvring the side door opens
