Description

Boat Overview

New to the UK, the Nidelv 950 A/C S-Line is a very capable Cat C Semi Displacement Cruiser suitable for light coastal and inland waterway cruising. This delightful model is both open, spacious and bright with a central cockpit over the aft cabin. The Interior fit and finish is reassuringly Scandinavian with a contemporary feel with an option of teak or cherry wood. There is a double berth cabin aft with a sun lounge above and a large V berth/dinette forward that converts to a double berth with a separate WC and shower room to the starboard side. The galley sits opposite to the port side with hot and cold water, storage and a 2 burner diesel fired hob, plus a 65L fridge in the cockpit. The full cockpit canopy enclosure can be used in a variety of settings in all weathers. With good sized and safe decks she is easy to board and handle. Air draft 2.31m/2.90m. Lying Chertsey.
