Description

The Toy 47 Tender is the result of a process of research and innovation that has seen the shipyard's skills integrated with the experience of the owners. The classic style and versatility make the Toy 47 Tender a boat with a distinct identity, suitable for all uses. The thoughtful design is manifested in the comfort of the cabs. A top speed of over 30 knots and a range of over 400 miles at cruising speed meet the need for a comfortable boat with excellent performance. The customization of the environments and the practicality of the elements guarantee safety at sea. Innovative solutions, reliability and stability in navigation are the characteristics that allow the owner and his guests to enjoy every moment on board in complete relaxation. Plenty of outdoor space to live in contact with the sea without compromise. MYTOY is a used Toy 47 Tender, periodically updated by its owner to always have it in perfect working order. A unique opportunity to buy a Toy Marine boat "like new". Contact us for more details.
