## Description

---

SUNREEF 50: catamaran like new, single owner and private use, no charter, custom layout.

Predisposition for small commercial vessel (fire extinguishing system in each cabin with smoke engine and in engine room, external manual shut-off in the cockpit)

The Sunreef 50 is a compact sailing catamaran that sets new standards of luxury at sea, ideal for exclusive getaways, charters and transoceanic adventures. Its clever deck and superstructure design allows for a higher level of comfort on board, the high bulwarks and classy lines underline its modern style with a classic touch.

Its saloon opens onto both the comfortable bow terrace and the cockpit, which extends with a hydraulic aft platform. The hulls of this luxury catamaran offer impressive volumes to set up a custom layout that includes airy and luxurious guest cabins and an opulent owner's suite with a walk-in closet, desk, sofa, retractable TV and an immense bathroom. While housing the main helm, the large flybridge is dedicated to leisure.

**CATAMARANS LIKE NEW - EXCELLENT CONDITION**
