Description

Manufacturers Note- THE MOST SPACIOUS CENTER CONSOLE- GROUNDBREAKING USE OF DECK SPACE- PERFECT FOR FAMILY WATER ACTIVITIESThe open day cruiser is divided into three zones, each representing different usability scenarios, from the spacious aft sun lounge expandable through the flip-over pilot backrest, and the three-seat pilot sofa, through to the comfortable bow dining area layout, all with the aim at bringing maximum joy to its passengers.The bow lounge area can comfortably seat up to 7 people and transforms into an XL 200 x 200 cm sunbed protected by the high backrests.The helm area provides great seating for 3 people while also forming an oversize chaise in connection with the swim platform. The backrest can transform to create a king size sunbed and also support the captain in a raised steering position for a better view.Moving around on the Play is a breeze with its walkways and open space. The protective freeboard opens up to the big swim platform that makes it easy to jump in for a swim.The lightweight construction is fundamental for our boats to achieve superior performance and low consumption of fuel or electricity depending on engine selection. The RAND Play consumes significantly less than traditional boats and will be the environmentally friendly choice within watersport even if choosing a modern gasoline engine. We use materials developed from recycled plastics and bio-based hybrids to optimise the environmental impact and create the best possible solution.The design is uncompromising, in the way that functionality comes first. The beautiful lines and surfaces, the graceful details and the impressive amounts of space, and the freedom to move around. Whether you will do high-speed sailing in smooth waters, or ride big waves at
