Description

SE33 – The new cabin cruiser of Solemar's SE line

The Solemar SE33 is a cabin cruiser inflatable boat that combines elegant design, high performance and great comfort on board, ideal for short and medium-length cruises. With two 300 hp outboard engines, it offers smooth navigation, safety and plenty of space to experience the sea in total freedom.

On board we find solutions studied down to the smallest detail: large cockpit with U-shaped sofa, folding table that can be transformed into a sundeck, outdoor galley, modern asymmetrical console and refined interiors with high quality materials and natural colors. Each model is certified with a personalized plate, which attests to its care and construction quality.

The SE33 is designed for demanding owners looking for a versatile, safe boat with a strong Italian style.

Solemar SE33 – for those who want to experience the sea with class.
