## Description

THE ULTIMATE SPORTS CONSOLE BOAT – The RAND Source 22 is a true powerboat for all nautical adventurers. With a sporty console, race pilot seats, utility deck and social hangout areas, Source 22 is a highly flexible powerboat giving the opportunity to do anything you want on the water. Retail price 93,173 inc vat – Offer price 84,995 inc vat. Manufacturer Description RAND Source 22 is a true powerboat for all nautical adventurers. With a sporty console, race pilot seats, utility deck and social hangout areas, Source 22 is a highly flexible powerboat giving the opportunity to do anything you want on the water. Source 22 is the fastest electric boat on the market, with a leading green profile in production, making this boat extremely sustainable without compromise on power, comfort, quality, or fun. The bow on Source 22 is the ultimate utility deck with a comfortable front exit and lots of space to carry equipment for water sport, diving, or other items for your destination such as bicycles or climbing equipment. Besides offering massive amounts of space, the utility deck is a great spot for fishing, and can transform into a plush 170x160cm sunbed. Source 22 represents a new approach to sports console boats using a new design language specifically developed for its segment. The design of RAND Source 22 is inspired by the dynamic curves and A-class surfaces familiar from high-end luxury sports cars, the exterior is a subtle play of shadows and taut surfaces, enhanced on the side by a new design element – the infinite loop. The new Source 22 is a testament to style, functionality and raw performance enhanced by the brand's new game changing design. With every new model RAND creates a unique hull, fitting the use-scenario for the specific boat. With Source 22 the
