Description

The Apreamare 48 is an elegant and refined motor boat, which combines the tradition of the Sorrento gozzo with the style and performance of modern pleasure boating. With a length of approximately 14.65 meters and a width of 4.70 meters, it offers generous spaces both indoors and outdoors, making it perfect for comfortable and relaxing cruises with family or friends. The fiberglass hull, solid and well finished, houses two powerful 575 diesel engines that allow a cruising speed of around 26-27 knots, with maximum peaks close to 31 knots.

The interiors of the Apreamare 48 are designed to ensure maximum comfort: it has three cabins, two bathrooms. The fine wood furnishings, the careful finishes and the attention to detail create a welcoming and luxurious environment. The living area includes a large living room with an open kitchen. The air conditioning system is present in all rooms. Outside, the large cockpit and sunbathing area in the bow are perfect for moments of relaxation, while the bathing platform and the outdoor shower (hot and cold) increase comfort during summer sailing. The hydraulic gangway, the complete cushions and the sun awning testify to the attention to practical and functional details.

Main accessories: Air conditioning - GPS - Generator - Autopilot - Gangway - Teak platform - Teak cockpit - Bow thruster
