ars mare 120 advantage

110 000 € ALL TAX INCLUDED

Description

If you are looking for a stylish, high-performance and comfortable flybridge, the ARS 120 is the ideal choice for you.

The ARS 120 is a magnificent motor yacht that stands out for its elegance, performance and comfort. With a length of 11.8 meters (38.7 feet) and a width of 4.2 meters (13.8 feet), it offers a large living area and an unparalleled boating experience.

Thanks to its planing V-shaped hull, this FLY reaches a maximum speed of 31 knots and a minimum planing speed of 12 knots, allowing very low fuel consumption. Seaworthiness, manageability and behaviour on the waves obtained the highest marks in the sea trials. The deck is well walkable and excellently equipped.

Maintenance:

Meticulously cared for and regularly serviced, the latest works during the past year are:

NEW thruster – NEW refrigerators – Replacement of lights with full LED – New TV – Flybridge cushions, new bow – New fly awning – New autoclave – New cockpit privacy net – Fresh or sea water system in the toilets – Replacement of bathroom drainage system – Redone internal driver's seat – Redone dinette ceilings – New Webasto heating system.

Engines: in 2014 the engines were completely overhauled, brought to 0 o'clock and since then they have run for 310 hours, during 2023 the injectors have been overhauled, racor filters replaced, raisers and exchangers cleaned. New battery charger, replacement of maintained cables, generator overhaul (brought to zero hours in 2019). New matt gangway motor.
