Displacement: 20 000,00 kg

Architect: Bernard Nivelt

Engine: Volvo 450,00 cv

Fuel tank: 3 100,00 L

Water tank: 600,00 L

The LEEN 51 is the latest model of the LEEN-TRIMARANS range.

The interior layout of the LEEN 51 is unique, with a single owner's cabin. This trimaran offers 4 double cabins, each with its own bathroom.

The living space is pleasant and bright thanks to its panoramic view.

The galley is spacious and functional, and the saloon is a great place to relax.

Outside, the flybridge is spacious and a welcoming place to relax. The fully-equipped outdoor galley allows you to prepare meals while taking full advantage of the scenery.

Designed by sailors, this trimaran is a hybrid boat with a 450 to 600 hp internal combustion engine. It can reach speeds of up to 20 knots.

Its maneuverability is exceptional, making this trimaran accessible to as many people as possible, as it is easy to handle.
