

SALE NEW

leen-trimarans 72

Description

Length: 21,95 m Beam: 8,85 m Draft: 1,34 m

Displacement: 41 500,00 kg

Architect: Bernard Nivelte

Engine: Cummins QSL 9 330,00 hp

Fuel tank: 5 000,00 L

Water tank: 1 000,00 L

The LEEN 72 is the largest model from LEEN-TRIMARANS, offering a large, bright living space and low fuel consumption.

The layout of this boat can be 3, 4 or even 5 cabins, depending on the owner's needs.

With a 4-cabin layout, the owner's cabin can be located either in the central hull or on the main deck.

In the 3-cabin version, the aft main float becomes a garage for the tender.

The saloon and galley are located on the main deck and extend into the cockpit through the large bay window.

The helm station is very comfortable, with a fully-glazed saloon-mudroom area.

At sea, this boat is comfortable, safe and reliable, worthy of the great yachts.

A&C Yacht is the official LEEN TRIMARANS dealer in the Caribbean
