rodman Fly 41

195 000 € All Tax Included

Description

A beautiful, bright unit with optimised living on board. This Rodman 41 built in 2003 is one of the Spanish shipyard's flagship yachts, a flybridge with classic lines, a fishing boat feel and very practical gangways. As with all Rodmans of this model, the interior space has been optimised to provide 3 real cabins with 2 fully-fitted bathrooms (electric toilet and separate shower).

A highly functional galley which opens onto the living space, providing plenty of opportunities for sharing with friends or family.

With its 2 Volvo Penta TAMD 430 hp engines (cruising speed of 20 knots with a maximum of 32 knots) and only 930 hours and its 3.5 kw generator, you'll be able to cruise from the inside cockpit or from the fly.

Underwater lights.

It's unlikely that you'll find a unit of this size with this layout ...
