The NEEL 47 is available in two layouts: three cabins or four cabins. With a living area of 83 m², a full width cockpit and a sea-facing galley with a panoramic view, this NEEL trimaran is sure to surprise you.

The owner's cabin on the same level benefits from natural light and therefore an exceptional view. The sliding partitions and the large bathroom in the central float complete this unique ensemble.

Each float is equipped with an independent suite, offering comfort and privacy, with an individual shower room. In the extension, the forepeak can be fitted out, as an option, to optimize the accommodation capacity.
