New for 2023: The Jeanneau Yachts 55 features an original deck plan and amenities, specially designed for owners.

Designed as a private apartment, the interior space offers elegance and comfort. Bright and refined, the Jeanneau Yachts 55 is also functional and comfortable.

The deck plan is innovative:

The front of the cockpit houses the double helm station and an external chart table. It is protected by a large windshield and a hard top, for good visibility while sailing.
