

SALE PRE OWNED

asterie 35

89 000 € All Tax Included

Description

Offered for sale: Asterie 35 from 2003 with twin Yanmar 315Hp 6 cylinder engines. Offered for sale with Orange Yachting: Asterie 35 from 2003 with twin Yanmar engines providing 315 horsepower each.

The Asterie boat was born following the disappearance of the famous Moppie from Bertram, which was very successful in the Gulf of Saint Tropez. To fill this "lack", Pascal VILLANOVA decided to create his own unit by taking up all the qualities present at Bertram and adding his touch and his personal experience.

The result is therefore a simple, robust and seaworthy boat with a user-friendly cockpit while respecting the specifications required by a professional with a solid base as a mechanic.

Everything is designed inside with quality and robustness in mind. If the astérie is above all a Day Cruiser intended for daily outings, it has the merit of being equipped with a small cabin with a real toilet area with shower.

The boat is well maintained and in great condition. The perfect day/weekend boat considering the huge amount of sunbathing areas, shade, platform and big fridge. Teak deck completely redone in 2017, new steering system and control cables, new upholstery, new fridge and freezer and audio system.

If you are interested in a visit and/or would like to be provided with additional information. Please contact us.

With kind regards,

Orange Yachting | Yachtbrokers
