Description

PARDO GT65: Fast, flexible & fun for an unparalleled onboard living experience For sale at Orange Yachting: The new Pardo GT65

Fast, flexible & fun for an unparalleled onboard living experience Pardo Yachts, renowned for its commitment to innovative nautical design, proudly presents the latest addition to its fleet. This new model, the GT65, preserves the iconicity and elegance of the Walkaround range, that made Pardo Yachts a leading player in the market, while delivering an unparalleled onboard living experience.

Positioned strategically between the GT52, presented in 2022, and the upcoming GT75 flagship set to launch this year, the GT65 serves as the latest addition to Pardo Yachts' versatile series of cross over runabouts. This third model in the GT range perfectly balances spacious interiors and exteriors, flexible layouts and performance, providing an exhilarating yet comfortable cruising experience. The GT65 project centers on the creation of livable and cozy interior spaces, ensuring maximum comfort while preserving an essential connection to the sea. Whether on deck or inside, expansive windows and retractable doors offer panoramic views, embodying the GT65's dedication to freedom and openness toward the sea. This design philosophy places the owners at the fore front, allowing them to be the protagonist of their journey in uninterrupted contact with the marine environment. The GT65 introduces several innovations compared with its predecessors. First among them is the fold-away tender garage capable of accommodating 3m tender, ensuring sleek and uncluttered exterior lines. Like the GT75, the meticulous job made by Nauta Design – responsible for exterior design, interior design and G.A. – is evident in the subtle low volumes at the
