Owner speaks : We purchased ULTIM from an 82-year-old individual who had sailed solo to the Faroe Islands! While not as distant, our cruises have still taken us twice to the Isles of Scilly, with many other stops between Île d'Yeu and the Channel Islands.

We appreciate how easy this boat is to use, allowing us to enjoy the sea and our coastline to the full, and its transportability, which opens up other sailing areas.

We also really enjoyed the friendly atmosphere among Loxo owners (WhatsApp and Facebook groups, multi-boat sailing trips, events) and the excellent relationship with the Pogo Structures shipyard.

Family circumstances have led us to regretfully put this boat up for sale after eight memorable seasons with Loxo (including a first twin-engine model). We wish our future buyer many wonderful sailing experiences!
