riva Riva 85 opera

1 350 000 € ALL TAX INCLUDED

Description

The Riva 85 Opera is an icon of elegance and performance. With an overall length of 26 meters, but with approval under 24, it offers all the advantages of a superyacht while remaining in the category of pleasure boats. This rare version with three cabins and three bathrooms is designed for the owner who puts comfort and privacy first. The full-width owner's suite is a real apartment on the sea, enriched by a private study to work or relax in total privacy. The VIP cabin and the double cabin, both with ensuite bathrooms, provide guests with generous spaces and fine finishes, offering a level of habitability and comfort that four-cabin configurations cannot match. The large saloon, bright and with attention to detail, leads to a separate galley in the bow, with later access for the crew on board. On the Fly, large and well-kept, there is space for the control area, a large covered dinette and a relaxation area at the stern. This Riva 85 Opera represents the essence of high-end private yachting: few guests, generous spaces, absolute privacy and the timeless charm of Riva design.
