Description

Sabre shipyards are famous for the quality of their boats and for the typical lines of "Down East Style" yachts. MAYERO is a beautiful Sabre 42 Express from 2003, maintained in perfect condition by its owner; The large outdoor spaces, the comfortable upper cockpit with the large table, the saloon on the lower deck (convertible into a double bed) and the two cabins, as well as the large and comfortable bathroom, make this boat ideal for comfortable family cruises, in comfort and safety, normally unimaginable in a 42-foot boat. We are therefore talking about a boat aimed at a category of expert boaters, truly a lover of the sea. Contact us for every detail.
