Description

Luxury sports navigation is renewed on board the 39 LS. The comfort of the walkaround will lead you to multiple social zones from bow to stern. Forward, wraparound seating converts into a large sundeck, while aft owners can choose between rotating lounge seating and storage or an adventure option with a dedicated fishing module. A port terrace expands the cockpit and allows further enjoyment of the water, while a boarding door on the starboard side allows passage. Below deck, a queen berth forward, private head and mid-cabin storage area with berth conversion can accommodate overnight guests or provide a quiet break. With two Mercury® 600 V12 engines, joystick piloting and integrated Garmin® Marine navigation systems, captains and guests will be able to experience thrilling power and performance aboard the 39 LS. Contact us for every detail.
