Description

Windy Boats was established in 1966, the uncompromising quality brand draws on over a century of Scandinavian maritime heritage. This 2004 Windy Scirocco 32 is no exception, with less than 700 hours of sailing time. The 2 Volvo Kad 300s will take you to a cruising speed of 22 knots. Indulge yourself, they'll go up to 45 knots.

With its Garmin Echomap 5V GPS, electric windlass, bow thruster, flaps, new autopilot and pirate light, this boat is very well equipped.

Its layout features a headroom of over 1.80 m. It offers a large U-shaped exterior saloon with a folding table that can be converted into a stern sundeck.

An ideal weekender with its electric sliding sunroof, it has a small outdoor wetbar and an indoor kitchenette.

Beautiful, classy woodwork and a very elegant teak floor, the interior saloon can be converted into a double berth to complete the master cabin, featuring a double berth convertible into a double bed, a shower/toilet and you're all set for short cruises and cove stays beneath the stars, all with the Fusion sound system... yet she's barely 10 meters long...
