Interior description

As soon as you get on board, you immediately perceive the elegance and balance of the spaces. The large aft cockpit welcomes guests in an outdoor living area, protected and comfortable, perfect for dinners and moments of relaxation. Entering the saloon, a modern and bright environment opens up, with large side windows that flood the interior with natural light and offer a continuous view of the sea.

The living area is organized with a double dinette, ideal for accommodating guests at different times of the day, and a fully equipped U-shaped galley, which combines functionality and design. Everything is designed to offer maximum comfort, even during long cruises.

Going down to the lower deck, you enter the sleeping area consisting of three elegant cabins. The owner's cabin extends across the entire width of the hull, with an ensuite ensuite bathroom, refined furnishings and
