Description

This ultra-modern first-hand Cap Camarat 10.5 WA PREMIERE finish, built in 2016 combines long-distance cruising with fast cruising, while optimising space and comfort thanks to its super-optimised spaces.

Equipped like a big one: interior kitchen with gas hob, microwave and fridge, bathroom with shower screen, 2 sleeping areas thanks to its convertible lounge. Outside, the saloon can be transformed into a sunbathing area, with its integrated galley and large sofa under the shade of the bimini, not to mention its foredeck with reclining seats for contemplation sessions.

With 220 hours on the clock, it has been professionally maintained since new. It's up to you to enjoy the company of 8 to 10 people, fishing, water-skiing or just relaxing on the water... This is an opportunity to seize, so give us a call and we'll be happy to help you with your project.
