## Description

Compact, easy to store, an ideal tender or small boat. The structure of the float, with its progressive diameter, offers greater stability to accommodate 2 people and some luggage. They have proven to be exceptionally durable and safe. The heat-bonded fabric assembly technique ensures a perfectly homogeneous bond between the float and the deck. Supplied with a lightweight Mercury F2.5 MH engine and fitted with a propeller guard, it takes up very little space and is easy to store.

Contact us, our experts will be delighted to help you with your project: we speak French, English, German, Spanish and Catalan.----
