Description

XBOAT ref :6159.I am selling my Fountaine Pajot catamaran, model Highland Pilot 35.

This model is particularly testament to Fountaine Pajot's expertise. The Highland Pilot 35 was specifically designed to offer the stability and habitability inherent in a catamaran, combined with the ease of maneuvering and performance typically associated with motor yachts. This particular catamaran, well-maintained, offers spacious accommodations, with a comfortable double cabin in each aft hull and a practical bathroom in each bow.

Ingenious Equipment for Long Voyages

The vessel ensures comfort during long journeys with a fully equipped bathroom, including a separate shower, electric toilets with raw water, and a sink.

The kitchen is arranged for comfortable meal preparation, with a gas cooktop, a microwave oven, and a 12V refrigerator. The saloon offers a welcoming space with comfortable seating, a dining table, and a television for entertainment.

Unmatched Performance and Efficiency

Powered by two Volvo Penta D3 110 hp engines, this catamaran is not only fuel-efficient but also offers impressive performance. Having been on board for its 380-nautical-mile delivery trip, I can personally vouch for the beauty of its maneuvering, even in difficult sea conditions.

Whether you are planning weekend getaways or extended voyages, the Fountaine Pajot Highland Pilot 35 is truly ready to take you on the adventure of a lifetime. More details and pictures on xboat.uk
