Description

Fashion 68 – 2008

Launched in 2009, this Italian sport yacht is in exceptional condition, combining elegance, power, and comfort with a sleek and timeless design. It is owned by its second private owner and has never been chartered, used exclusively for private cruising.

Measuring 21.50 meters in length with a beam of 5.62 meters and a draft of 1.10 meters, it is powered by two MTU 10V2000M93 engines delivering a total of 3004 horsepower, allowing for a top speed of approximately 40 knots. The hull is made of fiberglass with shaft drive propulsion. It is RINA certified and VAT paid.

In January 2022, the yacht underwent a complete refit worth nearly €180,000, including full engine servicing, the installation of a hydraulic OPACMARE gangway, and upgrades to comfort equipment. The engines have only 500 hours of use.

The Fashion 68 offers three luxurious cabins with en-suite bathrooms: a master cabin, a VIP cabin, and a twin cabin, along with a crew cabin for two. The spacious and bright salon features an electric sunroof, a fully equipped galley, and a swim platform with access to a tender garage. This yacht is a rare opportunity to cruise in total serenity and enjoy unforgettable moments with family or friends.
