Description

The Boston Whaler 305 Conquest boasts an impressive cockpit space, perfect for fishing or short cruises. The 305's hull design combines fast planing capabilities with a smooth, dry ride. The helm deck area is elevated for superior visibility fore and stern, with a sofa on the port side to relax while quietly watching the sea. The fully adjustable helm seat features a folding cushion that converts it into a padded seat for standing operation. The recessed bow walkaround provides safer access to the anchor locker and bow area. The cabin interior is warm and inviting, thanks to rich amenities including cherry wood furniture, granite-colored countertops and vinyl, and decorative accents.
