wellcraft marine 35

135 000 € ALL TAX INCLUDED

## Description

This 2007 Wellcraft 35 is a one-of-a-kind model, completely updated and customized to offer the ultimate in performance, technology and comfort. Designed for offshore fishing and sport cruising, it now comes with a modern and highly functional set-up.

The instrumentation is professional-grade, with dual Raymarine Axiom 16" screens, flanked by a 1 kW chip probe for exceptional accuracy in reading the seabed, perfect for deep-sea fishing.

The VesselView system is integrated directly into the Axiom third instrument, offering comprehensive monitoring of engines and navigation parameters in real time.

A thruster has been installed at the bow that makes mooring operations very easy even in tight spaces, making this boat as maneuverable as a smaller one.

The central seat has been custom-modified, integrating double refrigerators, ideal for day cruises or longer fishing trips.

The aesthetics have also been carefully taken care of: the boat is equipped with a personalized wrapping, which gives it a sporty and modern look, standing out from any other model.

The bow sundeck has been redesigned to increase the relaxation surface without compromising access to the fishing area.

Main accessories: GPS - Bow thruster - AXIOM RAYMARINE 16" digital instrumentation with dual screen and professional 1kw probe -

Upholstery 2025 - AZIOM integrated vesselview - Custom wrapping - Autopilot - Gangway - Speakers - Stereo - Folding benches - Live and catch tank
