

SALE PRE OWNED

itama Itama 60

PRICE UPON REQUEST

Description

ITAMA 60 : Complete refit in 2020: overhauled the entire internal hydraulic system, repainted the interior, remade all mattresses and cushions, repainted the hull, rebuilt the bridge with new instruments and electronic throttles. Custom-built hard top and aft swim platform. The refit works were directed by Ing- Gnessi, Itama's designer at the time of the boat's construction.

Itama Sixty is a powerful fiberglass boat equipped with two Man engines and surface propellers to underline its sporty nature, whose extraordinary performance is made possible by the hull line, characterized by the deep V.

The optimization of volumes and spaces is truly surprising, and this decisively influences the livability on board.
