READY TO MARK

NEW FLY BRIDGE, new teak, new layout, new cushions and sundeck.
WORTH SEEING!

The FALCON 92 is an elegant and classic Motoryacht built in 1996 by CTM-Falcon, with the highest quality and construction standards, typical of this famous Italian shipyard, with both external and internal spaces typical of larger yachts. The yacht has undergone a major Refit in the last two years, the works included the repainting of the hull, the assembly of a new fiberglass Hard Top, a new teak deck, new flybridge arrangement with new sundecks and large table, the installation of the entire new on-board electronic package, a new air conditioning system in all rooms, the modification of the Vosper stabilizers to update them to the "Zero Speed" system (Vosper/Naiad quote available) and many other interventions described in the accessories. A one-of-a-kind yacht, ready for the buoy.

The main works were topside painting, new fiberglass hard top, new teak deck, new air conditioning system, new electronics, new Yacht Controller, new watermaker, new appliances, new ZAR 3 tender and new Seadoo Spark, new carpet.

After a complete renovation in 2022, this 92-foot yacht offers an exclusive experience for up to 10 guests on weekly cruises and up to 20 on daily cruises, with 4 spacious and elegantly designed cabins, including an owner's suite, a VIP suite, 2 cabins with flat beds, all with en-suite bathrooms.
