

## Description

---

The charm of pure open, the unmistakable style of those who know how to stand out.

ITAMA 45S is not just a boat, it is an invitation to experience the sea with elegance and intensity.

Sharp lines, a deep blue hull and an Italian soul that leaves no room for compromise: power, comfort and style come together in this Itama 45S, launched in 2021 and now available in perfect condition, with VAT already paid.

Sailing means savoring every mile with the lightness typical of a Mediterranean open, but with a structure designed to face even the rough sea, always with the utmost pleasure and control. The hull signed Itama - a historic brand of the Ferretti group - guarantees dry, precise and exciting navigation.

On board, every detail has been designed to enhance the essentiality of luxury: the large bow sundeck, the livability of the teak-clad cockpit, the sober elegance of the interiors with modern and linear finishes.

Below deck, the sleeping area welcomes you with two spacious cabins and a bright dinette, perfect for a weekend in freedom, with family or friends.

The technical equipment is complete and accurate: air conditioning, generator, hydraulic gangway and platform, Simrad electronics, bow thruster, modern and functional systems. Each component is designed to offer maximum autonomy, safety and style, wherever you want to go. This ITAMA 45S is more than an opportunity: it is the choice of those who do not want to compromise between performance and beauty,
