

SALE PRE OWNED

azimut 77s

1 950 000 € ALL TAX INCLUDED

Description

The Azimut 77S masterfully combines Italian elegance with cutting-edge technology. Its sporty design, generous volumes, and high-end features make it the ideal yacht for both cruising and entertaining. Inside, a bright and modern atmosphere welcomes you with large panoramic windows, a stylish salon equipped with a Bose sound system, a refined dining area for eight guests, and a fully equipped Miele kitchen. The four cabins offer exceptional comfort and sophistication, complemented by well-appointed guest bathrooms. The exterior spaces are equally impressive: a spacious flybridge with a bar and sunbathing areas, a large cockpit with an alfresco dining area, and a sunpad at the bow. The hydraulic swim platform provides easy access to the sea and to the 3.7m Rib Line tender with a 40 HP Yamaha engine.

Smooth cruising is ensured by three Volvo IPS 1200 engines delivering a total of 2,700 HP, dual Seakeeper stabilizers, a bow thruster, and a new watermaker installed in 2023. Entertainment is guaranteed with satellite TV, Apple TV, video surveillance, and a Sonos sound system throughout all areas.

The yacht is moored year-round in Ischia Porto — a highly sought-after berth that can be easily transferred to the new owner, offering a seamless and convenient docking solution.

In terms of maintenance, no detail has been overlooked. Full servicing of the engines, both generators, and the two Seakeeper units has been completed. A complete antifouling treatment of the hull and a full exterior polishing were carried out this past winter, with all winterization
