

Lerouge Trimaran pulsar 26

35 000 € All Tax Included

Description

XBOAT ref :5514.Trimaran PULSAR 26 built by the CTI shipyard for the central hull, the two floats and the connecting beams. Finishing, fittings made by the current owner who took this boat through the Gulf of GASCOGNE, Spain and soon Ireland. It is a fast, safe and very well built sailboat. Versatile in use, it will satisfy its future owners both for short trips in shallow waters and for sailing to more distant islands.

Equipped with a pivoting mast, a self-tacking jib, and a bowsprit, you can sail at 14 knots downwind.

On-board energy is provided by a 95 ah battery, connected to a solar panel and the alternator of the 6 hp YAMAHA 4-stroke outboard motor from 2020. The undercarriage has been covered from the start by 5 layers of coating epoxy. A double berth forward and two single berths in the saloon, a navigation area with a SHIPMATE ASN-DSC VHF/ AIS receiver, a BIDATA RAYMARINE ST30 log/sounder, and a RAYMARINE ST2000+ autopilot complete the boats equipment. The armament is semi offshore with a 4-seater liferaft from 2022. This boat is available immediately. More details and pictures on xboat.uk
