## Description

XBOAT ref :5708.My Antarès series 9 flybridge version is a first hand one, which I bought in 2009.

I had it serviced regularly by a professional.

Electricity redone, convertible saloon, bow thruster, recent electronics, electric motor control...

A major cleaning is necessary, the interior woodwork is slightly damaged in places, there are a few scratches on the hull, the front balcony needs to be straightened slightly.

Polishing is to be expected, the bimini is original. More details and pictures on [xboat.uk](http://xboat.uk)
