

SALE PRE OWNED

linssen Linssen grand sturdy 460 stak 235 000 € ALL TAX INCLUDED

Description

For sale is a well-maintained Linssen Grand Sturdy 460 from 1997 — a classic displacement car in solid steel construction, known for smoothness, durability and a very well thought-out interior design. The boat offers spacious cabins, a functional galley and comfortable sleeping facilities for crew and guests. The saloon is bright and open, allowing a good all-round view and easy manoeuvrability on board. Technically, the yacht impresses with the Volvo Penta TAMD 4IP diesel — a seaworthy 6-cylinder engine with 230 hp that ensures reliable driving performance and good ranges. The machine is easily accessible for maintenance and service.

Additional comfort is provided by the existing stabilizers, which noticeably reduce rolling behavior — a great advantage on longer crossings and choppy seas

The yacht presents itself in well-maintained general condition.

The engine and powertrain were regularly serviced; Service documents are partly available and can be viewed during inspections.

Hull and antifouling were regularly maintained. Electrics, navigation and safety equipment are functional; a full list of equipment and services is available and will be sent on request.

Perfect for owners who value reliable, comfortable long-distance cruising — ideal for family or couple who want to spend a lot of time on board.

Robust enough for coastal seafaring, yet comfortable for weekend and holiday cruises.

*we sell these beautiful lenses GS 460 on behalf of customers, so we are
