Description

The Azimut 43 S represents the essence of luxury sports sailing, combining performance, style and comfort in a perfect combination. With its sleek lines and burgundy-colored hull that immediately catches the eye, this boat is a true jewel of the sea, designed for those who want to live every cruise as an exclusive experience.

The power of the two 370 horsepower Volvo Penta engines guarantees exciting navigation, with a cruising speed of 28 knots and a maximum of 34 knots: performance that offers adrenaline, but always with the safety and reliability of a great brand like Azimut. The electric hard top allows you to enjoy the sun and the sea breeze in total freedom, transforming the upper deck into a bright and welcoming oasis.

The teak deck, the generous sunbathing spaces in the bow and the cockpit living area invite you to share unforgettable moments with family and friends, between relaxation and conviviality. Every detail has been designed to offer elegance and functionality: from the modern and bright helm station, to the on-board accessories such as air conditioning, TV, stereo system and safety equipment beyond 50 miles.

Interior description

Entering the Azimut 43 S means immersing yourself in an atmosphere of refined and welcoming luxury. The interiors, characterized by dark woods and light fabrics, create an elegant contrast that expresses modernity and warmth at the same time. Each space has been designed to offer functionality and comfort, transforming every cruise into an experience of total well-being.

The main saloon is a bright and convivial place, thanks to the large
