SINGLE OWNER – NO CHARTER

ALWAYS STORED INDOORS IN THE WINTER MONTHS

2025 RINA refurbished – fairing – engine service

The 145 adopts the latest technologies available, valuable stylistic innovations and remarkable design innovations: from the aft location of the crew cabin to the new, beautiful flybridge. The end result is a yacht that looks to the future without betraying the Carnevali tradition.

Just like the large luxury sedans, the newborn combines respectable performance with maximum silence in navigation. Ideal for medium-range cruises, designed to accommodate up to 12 people, it is the ideal choice for families and friends who love privacy but do not give up fun.

When cruising, the large fly dominates the sea, while the large and welcoming cockpit invites you to pleasant moments outdoors. Inside, the emotion and charm continue in the living area and in the elegant living room, where soft lights enhance the lines of the cherry wood furniture which, if necessary, can be transformed into a comfortable and functional kitchen. Going below deck, a glimpse of the owner's suite announces its welcoming refinement, while on the sides there are two guest cabins with twin beds, elegant and functional at the same time.

The rooms, of course, are equipped with private bathrooms in which the light of the crystal blends with the marine tone of the worked glass. Everything on board is taken care of with skill and scrupulous craftsmanship, to make the Carnevali 145 an authentic treasure trove of luxury.
