ALL ABSOLUTE VALUES IN A SINGLE BOAT FOR A UNIQUE, IMMERSIVE EXPERIENCE

The Absolute fleet flagship, Navetta 75 borrows her spherical shape from geometry to represent the shipyard's quest for perfection and harmony in designing its latest boat.

As in a sphere, Navetta 75 embodies the best of all the Absolute creations that came before her and the shipyard's signature features: technological evolution and sophisticated style, achieving the perfect balance of excellence and completeness.

THE SHIPYARD'S SIGNATURE

Navetta 75 displays the design innovations that make Absolute recognizable and admirable worldwide: surprisingly wide windows for an immersive visual experience, high ceilings, rooms arranged on a single deck and covered walkways accessible from the inside, both from the kitchen and from the raised helm station.

Already a success on Flybridge and Coupé range boats, Navetta 75 also features an aft terrace cockpit with a glass rear parapet; the owner will be able to furnish it as desired to enjoy breathtaking views from here.

Finally, the boat features a bow master cabin with private access, luxury furnishings and premium finishes.
