Description

Designed by the Garroni Design studio, the PRESTIGE 630 stands out for the balance of an extremely refined exterior design and the elegance of its bright interiors. The volumes dedicated to the large saloon, the three cabins, the central master cabin, the private bathrooms and the flybridge guarantee life on board in conditions of maximum comfort. State-of-the-art solutions have been adopted, including the construction of the infusion hull and the choice of transmission with IPS 950 Pods, thus positioning the PRESTIGE 630 at the top of contemporary technology. The luxury of the interiors reveals choices of materials, chromatic harmonies and a level of equipment reserved for large cruising yachts. Sissi has been constantly renewed and improved by its owners so that it looks like new today.
