Description

The Tiara 4100 Open produced between the mid/late 90s and early 2000s is a "heavy-duty" open cruiser designed to combine two souls: that of the comfortable cruiser for family cruises and that of the sport fishing boat for deep sea fishing. The line is classically American: solid superstructure, very large cockpit, generous stern platform and a Modified-V hull with 18° deadrise that guarantees seaworthiness and comfort at planing speeds. The interiors are comfortable and spacious with a large dinette, a full galley, a bathroom with separate shower cubicle and, finally, a master cabin comparable to that of larger boats. We can say that BELE' is a boat like no other, aimed at a type of owner looking for high quality boats, with excellent marine performance.
