Description

The Astra 60 is the harmonious fusion of downeast style boat tradition and innovation in the world of lobster boats, offering an unparalleled sailing experience, combining classic style and advanced technology. A modern and elegant design, it offers generous spaces both inside and outside, perfect for short or long duration cruises or for day trips. Ideal for sharing moments with friends or family, it is designed to maximize comfort and interaction between guests, offering breathtaking views and sunsets through the large windows of the dinette.

The Astra 60 is easy to manoeuvre and dock, guarantees safety and comfort while sailing, ideal for owners who appreciate tranquillity, an elegant boat capable of thrilling thanks to its timeless lines expertly "rejuvenated", embellished with modern style elements, the use of fine materials and the presence of modern technological systems that guarantee comfort for the owner and his guests.

The Astra 60 proudly represents the brilliant result of the work of a staff of young Italian designers and technicians, of workers who built and fitted out this boat, expertly coordinated by a solid owner who boasts a very long experience in the refitting of pleasure boats and in the shipyard.
