## Description

---

XBOAT ref :3853.I am selling my 2012 BAVARIA 31 SPORT.  
It is equipped with MERCUISER 5.0L MPI engines (2 x 225HP) maintained by a local professional, bow thruster, reversible air conditioning, convertible saloon, TV in the owner's cabin, oven and electric hob, 2 refrigerators, black water tank, converter, recent batteries...  
The exterior layout of the BAVARIA 31 SPORT remains true to its predecessors with a spacious deck featuring a large aft sunbathing area leading to the swim platform, a "U"-shaped dining area, a galley, and of course the helm station.  
The main originality of this sporty motor yacht lies in the cabin. Indeed, BAVARIA has managed to combine in the interior saloon a dining area and an open berth without reducing the volume of the galley and especially of the aft cabin, which remains as spacious as ever.  
The BAVARIA 31 Sport thus offers a good compromise between comfort and functionality.  
It can accommodate up to 8 people on board.  
It is a versatile motor yacht, suitable for relaxing coastal cruises or sporty outings.  
Video tour available on this page.
