MARINA YACHT SALES

125 000 € ALL TAX INCLUDED

## Description

The Tecnomarine T50 is a boat with modern exterior lines and a hull designed to sail safely even in rough seas.

The quality of the materials used for construction, as well as the fiberglass, are of the highest quality and designed to last over time.

The current owner, who has owned it since the late 90s, carried out a major refit of the interior and exterior in 2004. On that occasion he also decided to replace the engines with 2 new Yanmars which made it possible to obtain a quieter and more efficient navigation.
