scout boats 261 xss

PRICE UPON REQUEST

Description

The 261 XSS is an inshore/offshore crossover and boasts notable features such as a large forward and aft launch deck, ventilated bait compartments, ample storage for rods and a storage compartment in the console.

This model combines the luxury of a Scout with all the features of a high-end bay boat with high performance and 360° fishability.

Standard amenities include an integrated exposed carbon fiber T-top with fully enclosed windshields, Fusion Bluetooth stereo system with six JL Audio speakers, aft ladder... just to name a few.

It is possible to switch from the standard footrest with cold room to the footrest with aerated fiberglass live bait with two driver's seats with folding cushions, basket, storage for equipment, rod holders and Corian worktop; as well as additional underwater lights, fresh and untreated water washing, options for stabilizers, Power-Pole and electric motor and a chemical toilet.

Available with numerous engine options.
