## Description

---

The 281 X Signature Edition, made entirely of carbon and epoxy resin construction, is built on the 281 XSS platform, but is a unique model with features only available on this Signature Edition.

The package includes a white Scout hull with red decorative stripe, Mercury 400R engine, cushions with diamond stitching and black and red details, carbon fiber hardtop legs and covers, carbon fiber Edson steering wheel and much more.

In addition, this model comes standard with a transom customized with the signature of Scout's CEO/founder, Steve Potts, and a second station that offers all the controls at the top, allowing the captain to stand aft of the two helm seats and thus ensuring an unobstructed view.

A truly exclusive and prestigious model.
