

SALE NEW

scout boats 400 lxf li-ion

PRICE UPON REQUEST

## Description

---

The 400 LXF Li-Ion is a new model and an alternative version to the current 400 LXF, equipped with a lithium-ion battery management system (no generator required) charged by Mercury engines.

Although it is full of standard equipment (such as the SeaKeeper gyroscopic stabilizer), the options available are numerous.

The 400 LXF Li-Ion is meticulously crafted with the most advanced carbon and epoxy resin construction technology and high-performance Scout Stepped Hull double hull technology. The S-Class (luxury models from 33' upwards) represents the top of the range. Available with numerous engine options.

Star Fortune is a company with thirty years of experience in the sector that is interested in the sale of new and used boats.

In addition to the main office in the Port of Lavagna, Star Fortune has a Showroom in Carasco, a municipality adjacent to Lavagna, equipped to exhibit and sell your boat or carry out maintenance work for our customers' boats

We accept trade-ins on the purchase of new boats. - For information on the complete range do not hesitate to contact us at 335 304097.

We are Scout dealers for Italy and exclusive Grady White dealers for Italy and Southern Europe.

Accessories notes:

- LED-lit storage boxes and hatches
- (8) 10" flush cleats
- (10) flush stainless steel foremast rod holders
- (4) Phender Pro sets = (4) receivers and (4) pins
- 180-degree bow seats with backrests and storage boxes
- Bow console with double sundecks and contoured
