Description

Salpa Soleil 26 – 2022

The Salpa Soleil 26 is one of the most popular models in the range thanks to the perfect balance between performance, comfort and liveability on board. With modern and elegant lines, it offers ample space both on deck and below deck, making it ideal for days at sea in the name of relaxation or sporty navigation.

The boat, launched in 2022 and with about 200 hours of use updated in September 2025, is in excellent condition. The outdoor spaces are characterized by a generously sized sundeck, a comfortable cockpit with convertible dinette and an ergonomic steering console. Below deck, in addition to a welcoming and functional environment, there is the predisposition for the installation of a bathroom, further confirming its versatility.

Visible in Tuscany, this Soleil 26 is an opportunity for those looking for a modern, safe boat ready for immediate use.
