## Description

Riviera 36 Flybridge from 1995

The Riviera 36 Flybridge is an iconic model from the Australian Riviera shipyard, renowned for the quality of its construction and its safe seaworthiness, both for cruising and sport fishing. With its robust and timeless lines, it offers an excellent compromise between onboard comfort and mechanical reliability.

This 1995 model is powered by two 350 hp Caterpillar 3116T engines, renowned for its robustness and longevity. The cable controls were replaced in 2025 and a complete service has been carried out, ensuring a recent technical update. This is a third-hand boat, which the current owner has cared for for over 20 years, which demonstrates rigorous maintenance.

Navigation equipment: GPS, depth sounder, radar, autopilot, VHF.

Comfort features include reversible air conditioning, a 6 kW Onan generator, an ice maker, and protective covers on the flybridge and aft. The hull was completely sandblasted three years ago, ensuring a sound hull.

With its spacious flybridge, comfortable interior layout, and reliable Caterpillar engines, the Riviera 36 Flybridge is a versatile boat, ideal for those looking for a seaworthy, robust, and well-maintained boat capable of both family cruising and offshore sailing.
